|-------|------|---------------|---------|-----|------------|---|-------|-------|

Skiing and snowshoeing are the same trips. Many members enjoying doing both throughout the season.

For most lessons, including most clinics, you sign up online when you register for the trip. The exception is the classic beginners series, which requires advanced registration by email - crosscountry@hpsc.ca.

You must be available all three dates of the series to participate. If not, there are other beginner lessons offered.

Please note that locations can change due to weather. We do our best to follow the schedule, but our goal is to get us out skiing safely and that sometimes means switching locations.
